Merry Christmas

Dear Friends,

I love the Christmas season! The lights on campus, the music, and decorations all reflect this special season of the year. The past few days there has been a lot of talk about the 'Christmas Star' that has been visible in the western sky shortly after sundown. Jupiter and Saturn lined up on December 21, so close together that they appeared as one bright shining star.

I am sure during this Christmas season, somewhere in your home, at your church or in your decorated neighborhood there will be a star. The light from a star has a simple, but unique beauty. The star symbolizes Jesus Christ, who is referred to as the bright and morning Star. Christmas, more than anything else, is about light. Jesus was born the Light of the world. The star has illuminated the hearts and minds of men and women and children ever since that night that the star shone brightly over Bethlehem. During this year of pandemic with all of the challenges in your life, in the life of Southwestern Christian University, and in our students' lives---the LIGHT continues to guide our students and faculty. Young men and women continue to be guided by the light of Jesus Christ as they search for God's will and allow the light of Christ to shine forth in an effort to change the world.

It has been said that if you want to change the culture and the world, you reshape the minds and hearts of the next generation. You give them a solid Christian world-view, you help reshape them intellectually, morally, and spiritually. You ground them in the gospel and equip them to serve Jesus, wherever they go. This is what the faculty, staff, and I do at Southwestern. Without faithful supporters like you, we would struggle to do all that God has called and destined us to do.

***Please continue to pray for SCU and assist us during this season and the end of the year.*** There are several ways for you to give over the next few days. Please assist us with your gift today.

THE STAR STILL SHINES AT SOUTHWESTERN CHRISTIAN UNIVERSITY!

Tom L. Murray  
President
